

bubbl

made by aarav kohli, 16, india

bubbl

a tamagotchi inspired desk pet
for friend groups!

send nudges with coool sounds
to your friends!

take care of a common pet to
keep it healthy!

looks like onigiri (yummy!)

and its super
easy to make
with
instructions!

Also
includes an
OLED and
INMP441

speaker amp
for speaker to work

xiao esp32s3
microcontroller
for it to think

vibration motor
so it does bzzz bzzz!

joystick
no more buttons!

speaker
sound

lipo battery

check it out!
